TAUNTON OFFICE

HOW TO GET TO US -

Walk and cycle from the railway station:

The railway station is about a mile from the office. Turn left outside the station along the main road, then turn left at the traffic lights into Priory Bridge Road. Cross over, then turn right behind the flats facing Deller's Wharf onto a path that leads to the river. Continue alongside the river, past Morrisons supermarket, cross over the river on the footbridge and continue to the road bridge. Turn left on the bridge and at the pedestrian crossing cross over and continue in to the passageway next to Debenhams. The path continues along the river. At the far end by the Scout and Guide Centre, turn right along Castle Street. After about 120m turn right in to Tangier cul-de-sac. The office is the yellow brick building at the far end.

By bus from railway station:

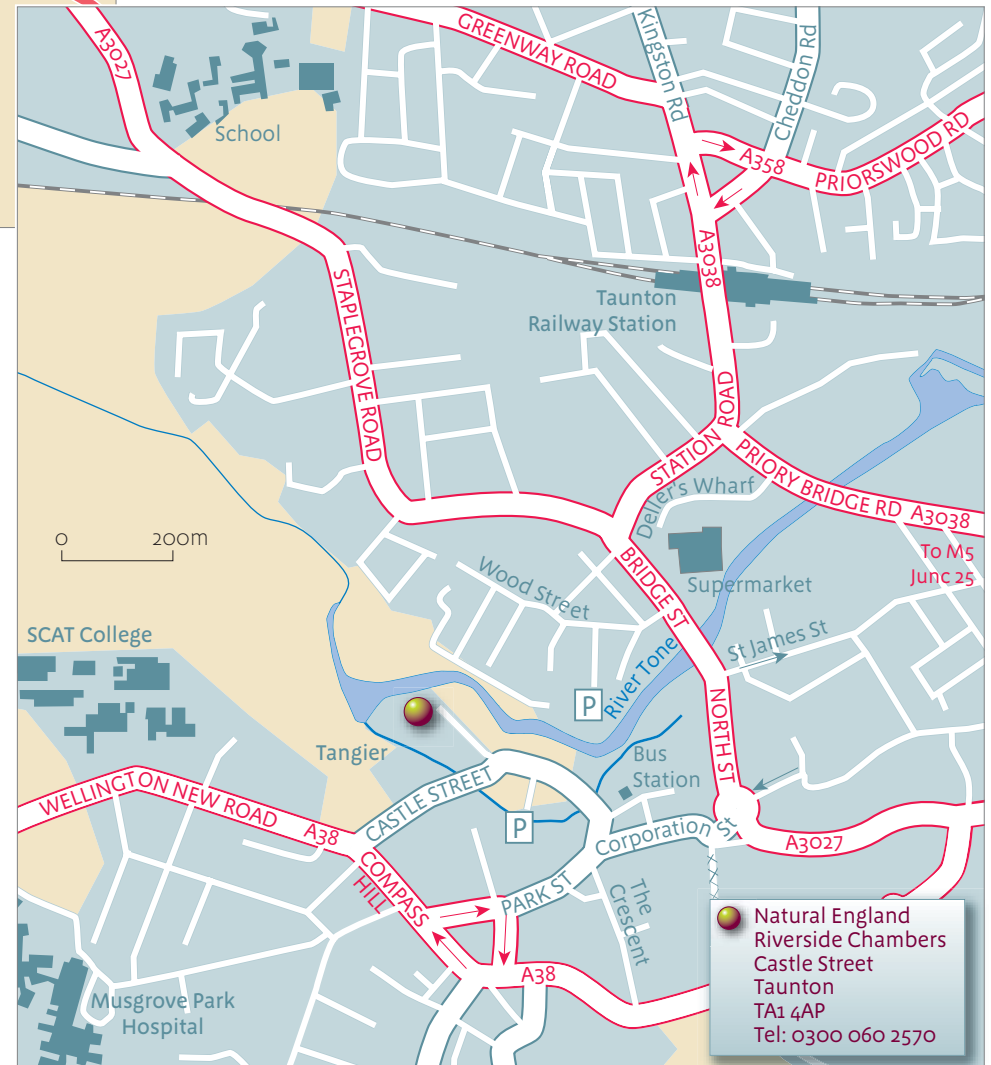

This entails a walk of approx 0.5mile. Catch any bus from the bus stop in of the station entrance. If it is a service to the bus station (22, 25, 28, 29) see directions below for walking from the bus station to the office. If it is a local town service (1, 2, 3), alight at the River Tone Bridge and follow the directions above from the 'passageway next to Debenhams'.

Walking from the bus and coach station:

The bus station is approx 0.25mile from the office. Turn right outside the bus station, walk past the modern brick building and turn right into Castle Street. After about 250m turn right in to Tangier cul-de-sac. The office is the yellow brick building at the far end.

By car:

There is no parking on site. Pay and Display car parks are in Castle Street. Alternatively use the Park and Ride at Silk Mills which sets down in Castle Way. Walk back along Castle Way, turn left opposite the bus station, cross over and turn right into Castle Street. After about 250m turn right in to Tangier cul-de-sac. The office is the yellow brick building at the far end. The return journey starts from Corporation Street. From Castle Way continue to the end of this short road and turn left. The bus stop is approx 40m along the road.
