

Integrated Access

Access Provision
(as a percentage of Lower Super Output Area,
coloured by Regional Rank)

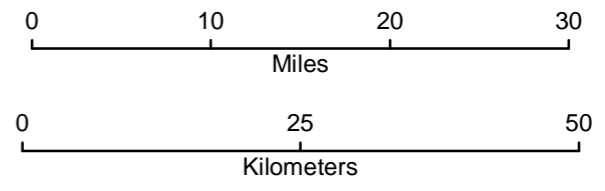

This Intergated Access dataset data is currently draft.

It is made up of data which is nationally consistent;
where NE holds a licence to use it;
where the quality is good,
and where the land is available for public access free at point of entry :

The datasets currently included are :

- Countryside Rights of Way
- Country Parks
- Doorstep Greens
- Millenium Greens
- Village Greens
- NNRs where accessible and LNRs
- Public Rights of Way
- National Trails
- Cycleways
- "Woods for People" including FC's "Walkers Welcome"
